WORK EXPERIENCE

Team Leader / Sr. Software Developer | Webosmotic Pvt. Ltd.   *JULY 2019 - NOV 2024*

- **Led a cross-functional team** of developers to deliver web and mobile applications using **React.js, React Native, Flutter, and Ionic**.
- **Developed and deployed** over 5+ mobile applications on the **iOS App Store** and **Google Play Store.**
- Managed seamless deployment using **CI/CD pipelines** using **GitLab**.
- Integrated **real-time** features such as live streaming and messaging using **Socket.io, Firebase, Pusher.js, and Agora.io**.
- Implemented complex **state management** using **Redux Code, Redux Toolkit, RTK Query, Dva**, and **Context API** to improve application performance and maintainability.
- Enhanced UI/UX through component testing with **Jest** and **Storybook**, ensuring high **code quality** using **ESLint** and **prettier**.
- Managed cloud infrastructure on **AWS (EC2, S3, CloudFront)** for efficient deployment and scaling of web applications.
- Led multiple payment integrations with **Stripe, Accept Payments, In-App Purchase and Razorpay**, including **subscriptions** and **Tap & Pay** systems.
- Created **Accessibility WCAG 2.1** compliance checker **web widget** and rules checking **API** using **axe-core**.
- Coordinated **agile processes**, including daily stand-ups, sprint planning, and retrospectives, ensuring timely delivery of projects.
- Worked on multiple databases like **MongoDB, Redis, InfluxDB** in **Node.js** with the use of **Express**.

Internship / App & Web developer | Bcube Solutions *JAN 2018 - JULY 2019*

- Developed **responsive** web applications using **HTML5, CSS3, Bootstrap, jQuery**, and **JavaScript**.
- Built mobile applications with **Ionic 3, Ionic 4 (Cordova)**, focusing on user-friendly interfaces and performance optimization.
- Created and managed **REST APIs** using **CakePHP 3** for web and mobile app integrations.
- Built **PWA (Progressive Web App)** using **Capacitor.**

SOFT SKILLS

- Leadership & Team Management
- Agile Project Management (Scrum)
- Strong Communication & Collaboration
- Mentoring & Training Teams
